General Instructions

1 Responsibilities of the recipient organization

It is the responsibility of the recipient organization to use the grant properly and exclusively for the purchase of products and/or services necessary for the execution of the project and to give due regard to the proper operation and maintenance during the execution and after the completion of the Project.

2 Eligible items

(1) The GGP/KUSANONE mainly supports tangible items such as the construction of primary schools, clinics and boreholes as well as the provision of equipment. On the other hand, intangible items such as capacity building, technical guidance for operation and maintenance, awareness-rising campaign and reinforcement of community association contingent on tangible items may also be eligible for support.

(2) The GGP/KUSANONE does NOT cover the following items:

- A Office expenses (office rental fee, salary for employees etc.)
- B Contingency Funds
- C Expenses incurred on individual or corporate profit-making activities
- D Funding and items aimed at providing direct funds and assets to specific individuals (such as scholarships, accommodations, clothing, etc.; however, this does not include situations of emergency humanitarian aid in the event of natural disasters, etc.)
- E Expenses linked to indulgences that may be harmful to the human body, such as alcohol and cigarettes
- F Research expenses that do not have clear direct benefits for the population

(3) In general, the following items are not eligible for the GGP/KUSANONE and should be shouldered by the recipient organization. However, the

following items may be supported by the GGP/KUSANOE, if it is found to be truly necessary, e.g., cases where it is indispensable to the achievement of the project goals, or where there is an urgent or humanitarian need, and only where maintenance and management structure is established the recipient organization.

- A Operation-related costs (personnel and operational costs, etc. that are indispensable to the project)
- B Maintenance and management costs for the provided goods
- C Vaccines
- D Consumables, small fixtures
- E Books (teaching materials, reference materials for educational projects, books for library collections, etc.)
- D General passenger vehicles (vehicles that are highly universal and can be used for private purpose.)
- E Electronic equipment such as personal computers, etc.
- F Banking fees (remittance charge from the Embassy of Japan to the bank account of the recipient, opening and closing fee of a dedicated bank account for the GGP/KUSANOE, account maintenance commission, foreign-exchange fee, etc.)
- G Administrative fees, vehicle registration fees, etc. that can be a source of revenue for the national and local governments
- H Import-related taxes (customs duty, internal tax, value-added tax etc.)

***Notes on taxes**

- In principle, the import-related taxes for the items covered by the GGP/KUSANOE should be exempted or reimbursed. It is the responsibility of the recipient organization to take necessary duty-free measures.
- Even in cases where your country does not agree to the exemption of import-related taxes, in principle, the recipient should bear the burden of these taxes.
- On the other hand, in cases where your country does not agree to the exemption or reimbursement of import-related taxes, and in cases where there is a need to provide assistance considering the financial situation of the recipient organization, the grant may cover the cost of these taxes.
- As for other taxes not related to import, in cases where there is a true necessity, taking into account the financial situation of the applicant, the grant may cover the cost of these taxes. *Please consult the Embassy of Japan for more details.*

3 Opening of a dedicated bank account

After the approval and the signature of the Grant Contract, the recipient organization will be required to open a dedicated bank account, separate from other bank accounts used for the operating expenses or other projects of the organization, for the disbursement of the fund. It is preferable to adopt the special banking contract schemes, where a written consent of the Embassy of Japan is required for the recipient organization to make every payment to suppliers or other relevant parties out of the dedicated bank account. On this matter, it is the responsibility of the recipient organization to make necessary arrangements with an appropriate bank in the country where the project is implemented.

4 External audit

- (1) In principle, after the completion of the project, the recipient organization shall perform an external audit in order to verify that the funds for the project have been used in a proper manner. In principle, the external audit shall be performed by an organization or individual with official audit qualification in the country where the project is being implemented.
- (2) The necessary fees for performing the external audit may be eligible for support by the GGP/KUSANONE. In principle, like other items, a comparison of estimates from three suppliers should be carried out.
- (3) Upon the completion of the project, an audit report shall be submitted by the auditor to the recipient organization. The recipient is required to submit a copy of this report to the Embassy of Japan. This report should contain the following elements:
 - A Verification of financial records (income, direct expenditure, operational expenditure related to the project, etc.)
 - B Verification of facts (procurement and delivery of equipment, use of equipment, etc.)
 - C Inspections of the project site (attach photographs to the report)
- (4) In some exceptional cases, where there are no qualified organizations or individuals in the country, where there is little need or where it is extremely difficult to perform, the external audit may be exempted but some alternative measures should be taken. *Please consult the Embassy of Japan for more details.*

5 In case of Unforeseen Circumstances

After the approval and the signature of the Grant Contract, in principle, it is the recipient's responsibility to properly complete the project even

when unexpected circumstances such as an unexpected shortfall happen. However, if such an unexpected shortfall is due to unavoidable exogenous factors such as a natural disaster, a sudden rise in material prices or fluctuation in exchange rates, the recipient may request to the Embassy of Japan a support for follow-up expenses in order to complete the project. *Please consult the Embassy of Japan for more details.*

6 Reporting

It is the role of the recipient organization to compile and submit to the Embassy of Japan an interim report if applicable and a project completion report using the formats in annex.

7 Visibility

In order to ensure the visibility of Japan's grant assistance, the recipient organization shall endeavor to cooperate with the Embassy of Japan in carrying out some PR activities such as organizing a handover ceremony, in putting stickers and attaching a plate or a sign displaying the flag of Japan onto the provided supplies and buildings.
